

Bowling Green East Little League Baseball Sign Sponsorship

Representatives of 2015 and 2016 Great Lakes Region in the Little League World Series

Do you remember the first time you played organized baseball? How about your first winning team, or your favorite coach? Kids today still very much enjoy all of the things we couldn't wait to experience when playing baseball. The crack of the bat, the game winning throw, and the team celebration after the big game, still create lasting memories for children in little league baseball.

The kids at Kereiakes Park need your help. Please take a moment to remember these special times and help support Little League Baseball in Bowling Green. There are many expenses involved in continuing a successful Little League program in your community. We rely heavily on fundraising efforts and the support of local businesses in order to provide an organized and memorable experience for these young players.

Your generous support will benefit all players, ages 8 through 12 in the Major and Minor Leagues at BG East Little League. Also, your donation will help to fund uniforms, field maintenance, and purchase new equipment for the kids of Bowling Green East Little League.

Bowling Green East Little League Sign Sponsorship- \$350

Your company Name and Logo proudly displayed on the Outfield Fence at Kereiakas Park for the entire 2018 Spring and Fall Season.

Please come to the Ballpark to catch a game this season. Our schedule, along with a list of our players and coaches, can be found at <http://bgeastll.com/>. Teamwork, playing fair and always doing your best are invaluable lessons. Thank you for your support!
